

The Community Pharmacy Foundation (CPF) funds grants that highlight new and emerging patient care innovations that are financially sustainable, transferable, and replicable in community pharmacy practice.

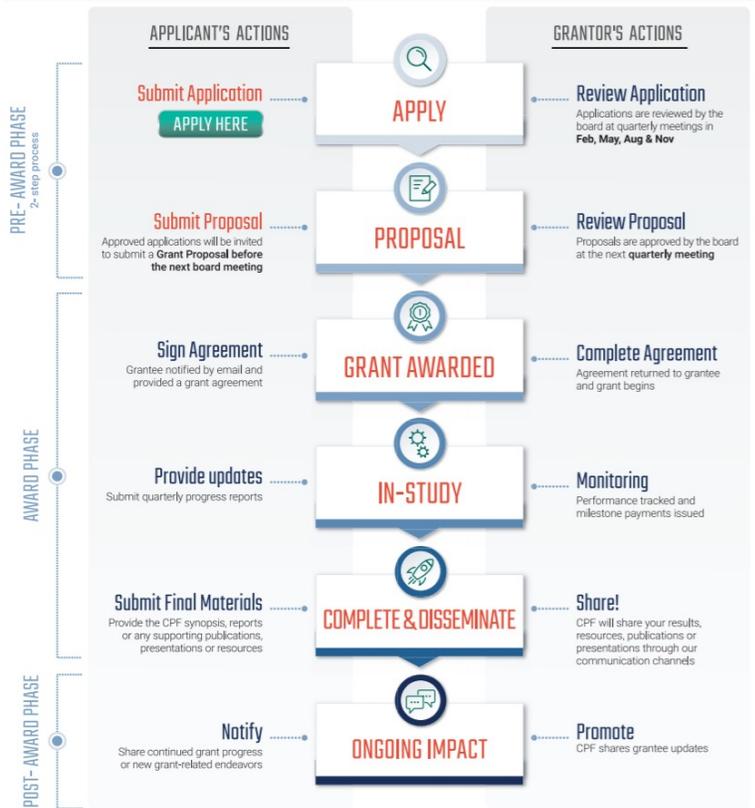

GOAL 1: The Community Pharmacy Foundation will invest in <u>grant making</u> to advance community pharmacy by supporting innovative projects and initiatives such as, but not limited to, the following:	
<b>Patient Care Best Practices</b>	<ul style="list-style-type: none"> <li>➤ Identify the impact of CPF grants on the profession, academicians and community pharmacy practitioners.</li> <li>➤ Increase consumer awareness of the value of pharmacists' services.</li> <li>➤ Capture and integrate the voice of the patient into models of care.</li> </ul>
<b>Health Care Delivery Models</b>	<ul style="list-style-type: none"> <li>➤ Continued grant support for topics of payment reform, delivery reform and real-time data integration for innovative ideas that advance the practice of community pharmacy. For example,             <ul style="list-style-type: none"> <li>• Value-based compensation for pharmacist services/care (moving from volume to value)</li> <li>• The pharmacists' role in emerging and/or redesigned care delivery models</li> <li>• Attribution of pharmacist service outcomes in team-based care</li> </ul> </li> </ul>
<b>Provider Status</b>	<ul style="list-style-type: none"> <li>➤ Collaborate to advance national, state and regional community pharmacy transformation leading to 'coverage for' and 'access to' pharmacists' services.</li> </ul>
<b>Future Practice</b>	<ul style="list-style-type: none"> <li>➤ Catalyze the preparation of pharmacists through grants, projects and collaborations to assure they are ready for value-based payment and provider status recognition.</li> </ul>
<b>Advocacy</b>	<ul style="list-style-type: none"> <li>➤ Collaborate with national organizations to support advocacy initiatives.</li> </ul>
GOAL 2: The Community Pharmacy Foundation will invest in <u>communication and collaboration</u> initiatives to advance community pharmacy.	
<b>CPF Grants</b>	<ul style="list-style-type: none"> <li>➤ Deliver an improved virtual experience to make grant results and resources broadly available.</li> <li>➤ Demonstrate the value of community pharmacy by sharing grant results, peer reviewed publications, and applied practice experiences.</li> <li>➤ Enhance communications with colleges of pharmacy, pharmacy practitioners, and healthcare organizations to increase collaborative initiatives. Maintain communications and information access to internal and external stakeholders</li> </ul>
